SATURDAY, MAY 16, 1857.

Legislative Council,

The 9th May 1857.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 1st May 1857, and is hereby promulgated for general information :—

ACT No. VI OF 1857.

An Act for the acquisition of land for public purposes.

WHEREAS it is expedient to make better provision for the acquisition of land needed for public purposes within the territories in the possession and under the Government of the East India Company, and for the determination of the amount of compensation to be made for the same : It is enacted as follows :—

I. Sections I to VII inclusive, Regulation I. 1824 of the Bengal Code ; so much of Act XXVIII of 1839 as is in force ; Act I of 1850 ; Act XVII of 1850 ; Act XLII of 1850 ; Act XX of 1852 ; and Act I of 1854—are hereby repealed, except so far as they repeal the whole or any part of any other Regulation or Act, and except as to suits or proceedings commenced, contracts made, acts done, and liabilities incurred before the passing of this Act.

II. Whenever it appears to the local Government that any land is required to be taken by Government at the public expense for a public purpose, a declaration shall be made to that effect under the signature of a Secretary to the

Government or of some Officer duly authorized to certify the orders of the Government, and such declaration shall be conclusive evidence that the purpose for which the land is needed is a public purpose ; and after making such declaration, the Government may take any such land in the manner hereinafter provided.

III. Whenever any land shall have been declared to be so required for a public purpose, the Government shall direct the Collector of the District or some other Officer specially appointed in that behalf, to take order for the acquisition of the land in the manner hereinafter provided.

IV. The Collector or other Officer shall thereupon cause the land to be marked out and measured, and a plan to be made of the same. After the land has been so marked out and measured, he shall cause a notice to be affixed in some conspicuous place upon the land, and published by proclamation in the neighbouring bazars and villages, to the effect that the land is about to be taken by Government for a public purpose ; and shall also give notice to the same effect to the occupier (if any) of such land, and to all such persons known or believed to be interested therein or to be entitled by Section XXXVIII of this Act to act for persons so interested as shall reside or have agents within the Collectorate or other Revenue District in which the land is situate by serving such notice on such persons or their agents. Such notice shall contain a citation calling on all persons interested in the land to appear personally or by agent at a time and place therein mentioned, such time not being less than fifteen days after the date of publication of the notice, and to state the

nature of their interests in the land and the amount and particulars of their claims to compensation for the same.

V. On the day fixed, the Collector or other Officer shall proceed to enquire summarily into the value of the land and the amount of compensation to be awarded: and if he and all the persons interested who have attended in pursuance of the notice agree as to the amount of compensation to be allowed, shall make an award for the same; and if the said persons agree also in the apportionment of the compensation, such apportionment shall be specified in the award. The award shall be final and conclusive in regard to the value of the land and the amount of compensation for the same; and also in regard to the apportionment (if any) of the compensation among the persons who have agreed thereto. The Collector or other Officer may, if no claimant shall attend pursuant to the notice, or if he shall think fit for any other cause, postpone the enquiry to a day to be fixed by him and notified in the manner provided in the preceding Section.

Collector to enquire into the value of the land, and the amount of compensation to be awarded.

Collector to make award which shall be conclusive.

Postponement of enquiry.

VI. When the Collector or other Officer proceeds to make the enquiry as aforesaid, whether on the day originally fixed for the enquiry or on the day to which the enquiry may have been postponed, if no claimant shall attend, or if the said Collector or other Officer shall be unable to agree with the persons interested who have attended in pursuance of the notice as to the amount of compensation to be allowed, the matter shall be referred to the determination of arbitrators to be appointed in the manner hereinafter provided.

VII. If upon the said enquiry any question arise, respecting the title to the land or any rights or interests therein, between two or more persons making conflicting claims in respect thereof, the person deemed by the Collector or other Officer to be in possession as owner, or in receipt of the rents as being entitled thereto, shall, for the purpose only of taking such measures as may be necessary for fixing the value of the land and the amount of compensation to be allowed for the same, be held as between such persons to be the person interested in the land.

VIII. When the Collector or other Officer has made an award or directed a reference to arbitration, he may take immediate possession of the land which shall thenceforward be vested absolutely in the Government, free from all other estates, rights, titles, and interests.

IX. If the Collector or other Officer is opposed or impeded in taking possession of such land, he shall apply to the Magistrate who shall enforce the surrender of the land.

Magistrate to enforce surrender of land.

X. Clause 1. When any case is referred to arbitration, the Collector or other Officer, and the person interested in the land, shall, unless they concur in the appointment of a single arbitrator, each appoint one arbitrator; if there be several persons having a joint interest in the land, and they cannot agree in the appointment of an arbitrator, such disagreement shall be deemed a refusal to appoint within the meaning of the next following Section.

Clause 2. If there be several persons having distinct and separate interests in the land, and they cannot agree in the appointment of an arbitrator on their behalf, it shall be competent to the Collector or other Officer (subject to the orders of the Commissioner or other superior Revenue authority) to refer the question of the compensation to be allowed for each of such distinct and separate interests to a separate arbitration, or to select any one of the persons interested whose interest appears to him to qualify such person to represent the others; and the person so selected shall appoint an arbitrator on behalf of all the persons interested.

In every case the appointment shall be in writing, and neither of the parties to the arbitration shall have power to revoke the same without the consent of the other.

XI. If no claimant shall have attended, or if the persons interested in the matter in dispute or authorized to act in that behalf, refuse or neglect for the period of fifteen days to appoint an arbitrator, then a single arbitrator appointed by the Collector or other Officer shall arbitrate the matter. Provided that the person so appointed shall not be an Officer of Government.

XII. When more than one arbitrator shall be appointed, the arbitrators shall, before they enter upon the matter referred to them, nominate and appoint by writing a third person to act with them as arbitrator; and in case the arbitrators shall neglect to appoint such third person for a period of one week after having been required to do so, the Collector or other Officer shall appoint a third arbitrator.

XIII. If any person, on being appointed an arbitrator, shall refuse to act, or, after accepting the appointment, shall die or become incapable of acting, another person shall be appointed in his stead, in the same manner in which the first person was appointed.

XIV. When the amount of compensation is referred to arbitration, it shall be competent to the Collector or other Officer, with the written consent of all the persons interested, to require the arbitrators to determine the proportions in which all such persons are entitled to share in the amount awarded.

the persons interested in the land agree as to the amount of compensation, or when such amount shall have been settled by arbitration, if any dispute shall arise as to the apportionment of the same or any part thereof, it shall be competent to the Collector or other Officer, with the written consent of all persons interested in the matter in dispute, to refer the same to arbitration. If the parties cannot agree with respect to the nomination of the arbitrators, or if the persons nominated by them shall refuse to accept the arbitration, or, having accepted it, shall refuse to act, and the parties are desirous that the nomination shall be made by the Collector or other Officer, he shall appoint some proper person or persons to arbitrate the matter. The provisions of this Act relating to arbitrators appointed under Sections X and XI and to the proceedings of such arbitrators shall be applicable to persons appointed arbitrators under this Section.

XVI. After the arbitrators have accepted the

Collector to exercise certain powers for securing attendance of arbitrators and completion of award.

appointment, the Collector or other Officer shall be competent to exercise towards them such powers and authority for securing their attendance and the due completion of their award, as the Collector may legally exercise towards witnesses summoned before him when acting judicially for the purpose of compelling them to attend and give evidence.

to be paid for land taken under the provisions of this Act is determined by the award of the Collector or other Officer under Section V, he shall pay the amount awarded

at the time when possession is taken of the land on account of Government. When the compensation is determined by the award of arbitrators under Section XX, the Collector or other Officer shall pay the amount awarded with interest at the rate of six per centum per annum from the time when possession was taken of the land on account of Government.

XXVIII. Except, as provided in the next following Section, payment of the compensation shall be made, according to the award, to the persons named therein. Provided always that nothing in this Act contained shall affect the liability of any person who may receive the compensation awarded for any land or any portion of such compensation to pay the same to the person lawfully entitled thereto.

XXIX. If there exist any ground which, in the judgment of the Collector or other Officer, renders it improper to make immediate payment of the compensation, or of any portion thereof, to any of the persons having or claiming any interest in the land or in the compensation awarded in respect thereof, the amount, or such portion of the amount as he may deem sufficient, shall be invested in Government Securities, and held in deposit until an order of Court shall be obtained for the payment thereof. Such order shall be obtained in the Court which would have had jurisdiction in respect of the land taken.

XXX. If the land taken be within the local limits of any of Her Majesty's Supreme Courts of Judicature, and the amount of compensation awarded do not exceed five hundred Rupees, the order may be made by the Court of Small Causes.

XXXI. No award of arbitrators made in accordance with the provisions of this Act, shall be liable to be reversed or altered, except by the decision of a Civil Court on the ground of corruption or misconduct of the arbitrators. In case the award shall be so reversed, the matter shall be referred to another arbitrator or other arbitrators to be appointed in the same manner as the first. All suits to set aside an award under this Act shall be instituted within three months from the date of the award.

XXXII. The provisions of this Act shall not be put in force for the purpose of acquiring a part only of any house or other building or manufactory, if the owner desire that the whole of such house, building, or manufactory shall be taken.

XXXIII. Whenever any land is needed for a road, canal, railway, or the like, and the local Government makes the declaration provided in Section II, it shall not be necessary to specify the extent, limits, or position of the land, but it shall be sufficient to declare the general direction of the line of the work and the average breadth of the land required for the same.

XXXIV. When any declaration has been made under the provisions of Section II of this Act, the Collector or other Officer may authorize any person, with his servants and workmen, to enter upon the land for the purpose of making a survey thereof; and in the case of a road, canal, or railway, to set out the intended line thereof, and to mark such line by cutting a trench or placing land-marks; and where otherwise the survey cannot be completed, and the line marked, to cut down and clear away any part of any jungle or tops of trees in the direction of the intended line. Provided that no person shall enter into any house or building or upon the curtilage of any house or any enclosed garden (unless with the consent of the occupier thereof) without previously giving the said occupier twenty-four hours' notice of his intention to do so.

XXXV. It shall be the duty of the Collector or other Officer to take account of all necessary damage done as aforesaid, and forthwith to offer payment for the same to the persons interested. In case the offer is not accepted, the damage shall be allowed for in the compensation to be awarded.

XXXVI. Whoever wilfully obstructs any person in lawfully setting out the line of any road, canal, or railway, or wilfully destroys, damages, or displaces any land-mark, or effaces or fills any trench intended to mark such line, shall, on conviction, be liable to be imprisoned for any term not exceeding six months, or to fine not exceeding two hundred Rupees, or to both.

XXXVII. The powers of this Act shall extend, in the case of any road, canal, or railway, to authorize the temporary occupation of any land not more than one hundred yards from the centre line of the road, canal, or railway, as marked on the ground, for taking earth or other materials for making or repairing the road, canal, or railway, or for depositing thereon superfluous earth or other materials, or erecting temporary buildings and workshops thereon, and of any land which may be needed for making temporary roads, from any public road to the intended line of railway; and for the temporary occupation of any such land, and for any permanent damage done by such occupation and use of the land, including the full value of all clay, stone, gravel, sand, and other materials taken thence, compensation shall be paid to and among all persons having an interest therein, to be ascertained, in case of disagreement, in the same manner as compensation for land permanently taken.

Legislative Council.

The 9th May 1857.

THE following Bill was read a second time in the Legislative Council on the 2nd May 1857, and was referred to a Select Committee, who are to report thereon after the 13th of August next:—

A Bill to make lawful compulsory labor for the prevention of mischief by inundation, and to provide for the enforcement of customary labor to certain works of irrigation in the Presidency of Fort Saint George.

WHEREAS the safety of person and property is endangered by inundations caused by sudden breaches of the embankments of tanks, rivers, and canals, and of anicuts and other like works, and it is necessary for the common good to make it obligatory on persons of the laboring classes, when duly called upon, to unite their labor to prevent such breaches, or to repair them instantly; and whereas it is expedient to make legal provision for the enforcement of the duty which by local custom is incumbent on village communities to furnish the labor required for the execution of certain works for the purpose of irrigation and drainage; It is enacted as follows:—

I. Whenever it shall appear to the Officer in charge of any tank, river, or canal, or of any anicut or other like work, that there is imminent danger of the embankment of such tank, river, or canal being breached, or of a breach being made in such anicut or other work, and of a destructive inundation being caused thereby which may be prevented by a large body of laborers immediately working together to strengthen the embankment or other work; or when such a breach has occurred, if it shall appear to such Officer that it can be repaired and the inundation caused by it be stopped by the immediate employment of a large body of laborers for that purpose—it shall be lawful for such Officer to require the head or heads of the village or villages in the vicinity to call upon all able-bodied male persons of the laboring classes in such village or villages to co-operate in the work necessary for preventing or repairing the breach as the case may be. In the absence of the said Officer it shall be lawful for the Tehsildar of the talook to make such requisition in his stead. And if neither the said Officer nor the Tehsildar is on the spot, and the emergency is great and urgent, it shall be lawful for the head of the village in which the breach is expected to occur or has occurred, of his own motion to call upon the laborers as aforesaid of his own village and, if needful, to make a requisition to the heads of the neighbouring villages to call likewise upon the laborers of their villages to co-operate in the work necessary for preventing or repairing the breach.

II. Any male person of the laboring classes being duly called upon by the head of his village to labor as aforesaid, who shall refuse or neglect to comply with such call without any lawful

excuse, shall be punished with a fine which may extend to one hundred Rupees, or with simple imprisonment which may extend to one month, or with both.

III. Every person who shall be employed on such work under such requisition shall be paid for his labor by day at the highest rate paid in the neighbourhood for similar work, and if he is required to work at night at double such rate.

IV. Payment shall be made to the laborers from the public Treasury; and if the laborer shall have been employed upon a work belonging to a private person, the amount advanced from the Treasury shall be recoverable from such person by the same means which may be lawfully used for the recovery of arrears of Land Revenue.

V. It shall be lawful for heads of villages, on the requisition of the Officer in charge of such works as aforesaid, or in his absence on the requisition of the Tehsildar, or in case of emergency, when neither such Officer nor the Tehsildar is on the spot, of their own motion, to make requisitions upon the inhabitants of their villages for the supply of materials, to wit, cocoanut trees and leaves, bamboos, straw, and the like, necessary for stopping breaches in the embankments of tanks, rivers, and canals, and to take such articles wherever they may be found, giving receipts for them in writing; such supplies shall be paid for from the public Treasury at the highest prices which can be obtained for such articles in the neighbourhood; and when the work for which they are used belongs to a private person the amount advanced from the Treasury shall be recoverable from him by the same means by which arrears of Land Revenue are recoverable.

VI. Whenever by local custom any work for the purpose of irrigation or drainage or connected therewith is usually executed by the joint labor of a village community, any person bound to contribute labor to such work, who refuses without reasonable cause to comply with a requisition for such customary aid made to him by the head of the village under the orders of the Tehsildar or other superior Revenue Officer, shall be liable to pay any expense incurred in the execution of the work by reason of his default. The amount of such expense shall, in case of dispute, be determined summarily by a village or District punchayet assembled by order of the Collector through the Village or District Moonsiff according to the rules for assembling such punchayets prescribed in Regulations V and VII of 1816. The amount awarded by the punchayet shall be payable on demand; and on non-payment the same may be levied by distress and sale of the goods of the defaulter, or may be recovered by the same means by which arrears of Land Revenue are recoverable.
